

HOTFEET BOOSTERS CLUB

SHOE FUNDRAISER

About The Program

Gently worn shoes are collected to help Micro-Enterprise programs in developing countries such as Haiti, Guatemala, Ghana, Tanzania, Botswana, Zambia and Senegal. The shoes are repurposed and sold in their communities, which promotes commerce opportunities and leads to economic sustainability.

Our Goal

Collect 100 bags of shoes in 60 days!

How To Help

Check your closets for any gently used shoes you are willing to part ways with. Shoes must be in good, clean condition and be in pairs. We will coordinate picking them up. All shoes will be repurposed and sold in these developing countries, enabling them to earn an income to pay for housing, food, educational expenses. This will also raise funds for the CSD Showtroop Team. It's a win win!
